Today's Schedule.
Paducah at Mattoon.
Cairo at Vincennes.
Jacksonville at Danville.

Mattoon, Ill., June 30.—The Indians shut out the Hostlers yesterday by a score of 2 to 0. On account of a break in the infield Nippert played second base and made all the errors attributed to Paducah. They numbered four, but did not prove costly. The Indians batted hard and fielded fast and the locals were unable to do anything with them.

The score: R H E
Paducah 2 8 4
Mattoon 0 7 1
Batteries—Miller and Downing; Dwyer and Langdon.

Bill Chenault the Hero.
Vincennes, Ind., June 30.—Bill Chenault, who was traded to Vincennes by Paducah several weeks ago, pitched for Vincennes today and shut out the would-be "Champs" in a double header. Chenault had steam and a few other things, and the way he made the Rats duck and jump about was a caution.

The score: R H E
Vincennes 4 7 2
Cairo 0 6 5
Batteries—Chenault and Matteson; Way and Searies.
Second game: R H E
Vincennes 4 12 10

Danville Takes a Game.
Danville, Ill., June 30.—The locals defeated the Jacksonville aggregation yesterday in an uninteresting game. Jacksonville made error after error, which accounts for the loss of the game, the Belites outhitting the locals by two bingles.

To Drive Out Malaria and Build Up the System.
Take the Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking. The formula is plainly printed on every bottle, showing it is simply quinine and iron in a tasteless form. jected to a pair of shut outs. It was bad enough to lose the two games, but to be shut out was the last straw. Nippert seems to be an utility man. He plays any old place. Occasionally he makes an error but is a mighty spry man for an infielder of his age and weight.

The Indians will play today and Sunday in Mattoon and return to Paducah Monday. Tuesday the first game of the "at home" series will begin. It is expected that "things" will pick up then.

Selection from Traviata... Verdi.
Moonlight, a serenade... Neil Moret.
Among the Cabins, a medley of old time plantation songs.

Robinson Shows.
The John Robinson combined shows, a four ring affair, is coming to Paducah. This morning the No. 1 advance car carrying a large force of bill posters arrived over the Illinois Central and the towns being "billed." The show is one of the biggest ever moved over the Illinois Central, and local yardmen are looking forward to its arrival. They are figuring "some" to handle the shows with the present amount of business over the lines.

Two Deaths From Heat.
Chicago, June 30.—This was the hottest day of the year, the mercury reaching a maximum of 91. Two deaths were attributed to the heat. There were several prostrations.

Consecration to Country.
What is true patriotism? It is an absolute consecration to country.—William McKinley at Grant's Tomb.

NEWS OF KENTUCKY

Puritan Magistrate.
Louisville, June 30.—Magistrate Hoffman said today that he was sure that an extra session of the legislature would be called to amend the Sunday law, and that he hoped that this would be the case. It is said that Constable Bartholomew intends to move on the Sunday newspapers and that on next Monday warrants will be issued for the arrest of the presidents of both the newspapers which publish a Sunday edition and for as many of the employees whose names can be secured.

Escape to Mountains.
Richmond, Ky., June 30.—The four prisoners, James and Steve Turner, James Saylor and Frank Ball, who made their escape from jail here last night by overpowering Turnkey Leads, have not been captured. Mulligan, with his bloodhounds, arrived here early this morning. It is now thought that the escaped prisoners have gotten into the mountains of Jackson county. This is practically the home of the two Turner boys, who have a world of relatives and friends living all through the mountains.

Deaths by Violence.
Louisville, June 30.—"I have examined the records of the city and find that there have been more violent deaths during the past two months than for any similar period since Louisville was incorporated," was the statement of Coroner Kelly this morning, following the perusal of his records, which revealed fifty-five persons have died violent deaths in Louisville in less than sixty days.

NEW CAR
Run Over Entire System By Manager Blecker.

The Paducah Traction company has fitted out one of its four new cars for service, and yesterday had it out making a trial run. Manager John S. Blecker invited a party to make the trip, and the manager of each newspaper was invited. The car started at 1:30 o'clock in the noon from Fourth street and Broadway and made the tour of the entire system. The car was then placed in service.

CONSTRUCTION WORK.
Will Be Pushed By the Street Railway Company.

The Paducah Light and Power company will begin repairing its tracks shortly and will not run any chance of a strike and delay to the work. One hundred Italians will be brought to Paducah to do the labor in reconstruction work and the firm furnishing such laborers has already been contracted with. Sixty pound rails will be laid by the company and the road will make improvements where possible. All old rails will be replaced by new.

SUFFERS RELAPSE.
Word Received From London Concerning Colonel Kilgore.

News from London, England, received in Anderson, Ind., and Paducah says that Col. J. L. Kilgore has suffered a relapse and is again seriously ill. Col. Kilgore left this country several weeks ago in company with Governor Durbin and party from Indiana. Prior to Col. Kilgore's departure he had been in an infirmary in Louisville. He is suffering from kidney trouble. He is at a hotel in London.
